## BIO

Master Angela Ang is a Feng Shui master whose lifelong background in the Buddhist and Taoist ways of life helps her guide her clients through difficult life phases by uncovering the hidden blocks contributing to their circumstances. By using skillful means to work on the deeper factors that create our thoughts and feelings, she helps her clients find ways of creating positive outcomes within the chapters of their lives.

Master Ang has been a full time international Feng Shui consultant for 20 years. She's appeared on BBC, Sky and Channel 4 TV, spoken on Feng Shui in the House of Commons, and helped thousands of clients around the world with the full range of relationship issues from divorce to infertility, infidelity to behavioural challenges. Based in London, she's trained Feng Shui practitioners around the world and consulted around the UK, Europe, Asia and the Americas. Wherever you are, and whatever you're going through, if you'd like to find answers to the question "Why is this happening to me?" Master Ang can help you.
