BIO

Lucy is a TV producer and food lover. Isabelle is a psychologist and avid traveller. They founded divorce club through their shared experience of rebuilding their lives during this horrible time and finding very little support. They have started a website (www.divorceclub.com) and several meetups across the country with thousands of members. This has helped people find advice and support about how to get through the emotional trauma of a divorce, and create a new, and more positive life. Through the meetups people have made friends and even found love again. Lucy and Isabelle and also gained much wisdom from seeing all kinds of people at all kinds of stages of their divorce.
